STAT

Thank you for your letter of 12 April relative to possible employment with this agency in case of an emergency.

We do not currently have available positions involving the practice of dentistry and cannot determine at this time just what our requirements and sources for dentists might be in an emergency situation. However, there are enclosed forms for application for employment and a Personal History Statement which we will be glad to keep on file for future reference if you desire to complete these forms and return them to us. In such case, should a need arise for your services we would be able to contact you with no delay.

Your interest in this agency is appreciated.

Sincerely,
